Memo.

Parex Muniswami Naik
and certain other inhabitants
of Chinnaganahalli in the
Bowringpet Taluk. State
that there are already
two liquor shops in their
village, one for the sale
of Laddys and the other
for that of Arrack, though
it is a small village
containing ten houses
and that the said shops
have proved to be a
source of great annoyance
and danger to their
person and property
by reason of a large
number of employees

B

²
from the gold mines
frequenting them and
walking the streets in
a state of intoxication
at all hours of the day
and not unfrequently
assaulting the females,
the young and the
old folk of the village
on their way to and
from their fields. There
is a strong rumour that
permission to open a
third shop for the sale
of liquor is about to
be granted. Petrus
prays that under the
circumstances represented,
the permission may
not be granted.

In reporting upon the
above petition, the
Dy. Commr of Kolak refers
to previous correspondence
ending with his letter
No 1270 dated 29th Nov^r
475
1886 (herewith submitted)
and states that it will
therefrom be observed
that on a reference
he made to the principal
Mining Agents on the
Subject, they objected
to the grant of licenses
to open liquor shops
in the vicinity of the
mines as it would
be prejudicial to the
discipline of the employees
under them and would

cause a breach of the
 peace. The Dy Commr
 thereupon disallowed
 several applications
 received subsequently
 for opening liquor shops
 at Boweringpet and in
 villages adjacent to
 mining lands. Without
 his knowledge and in
 anticipation of his
 confirming the action,
 the Dy Commr of Bangalore
 has ordered the immediate
 opening of an Akrack
 Shop at Borigama and
 another at Chinnaganahalli
 near the gold mine and
 directed the Special Aftl,
 Abkarvi and Excise Dept
 to issue the necessary licenses.
 This is a novel procedure.

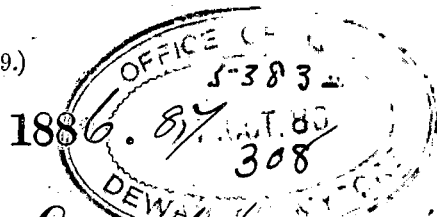

The Special Agent reports
 that he has given
 permission to open a
 new shop at Sivarpatri
 in the Malur Taluk,
 and a second shop
 at Kyälur in the
 Kolar Taluk and at
 Manchenahalli in the
 Goribidnur Taluk and
 requests him to confirm
 his action. This is a
 novel and improper
 procedure. The Dy Comm
 opinion is that it is highly
 inexpedient to grant
 licenses for any additional
~~shops~~ shops in the above
 named villages, as such
 a measure would tend
 to enlarge the gathering
 of riotous people, to the

great disadvantage of
the inhabitants of the
villages concerned.

I have the honor
to state that there are
several applications for
licenses to open European
liquor shops at Kourimpe
and also at the gold field.
I request to be kindly
informed whether such
applications can be granted
without limit. The present
rate of fees, Rs. Rupees 36
per annum, seems to me
to be quite insufficient
here, and it may therefore
be raised to Rupees 50
per annum as at

Deputy Commissioner's office,

Dated 29th November 1888

To
The Chief Secretary
to the Dewan of Mysore.

Sir,

With reference to your docket No. 5283 of the 25th Ultimo, I have the honor to state that the principal Mining Agents, who were addressed by me on the subject, are of opinion that it is undesirable to grant licenses to open European liquor shops in the vicinity of the mines on the ground that such a course would be detrimental to the discipline of the employes under them, and perhaps cause a breach of the peace. I have, therefore, declined to comply with the applications hitherto received, and consider that no further action in the matter at present seems to be necessary.

I have the honor to be

Sir,
Your most obedient servant,

W. S. S.
Deputy Commissioner.
